

HUMAN RESOURCES PRIORITIES

1 support the University, Schools, Colleges and Administrative Unit's priorities by connecting our services to the strategic needs outlined by those priorities

2 partner in supporting staff development in the HR department and throughout the University

3 partner with every School, College and Administrative Unit to ensure that each has an **organizational structure** designed to meet the University's Academic and Strategic Plans

4 utilize technology to strategically and tactically advance our HR operations

5 continuously improve our processes

6 be a leader in providing excellent customer service
