

POMCO IN-NETWORK SHOT PROVIDERS

More convenient options for flu,
shingles, and pneumonia shots

Just in time for flu season.

We are pleased to announce that POMCO member can obtain Flu, Shingles, and Pneumonia shots from the following POMCO Pharmacy partners:

Use a different neighborhood pharmacy?
Ask if your shots are covered as a POMCO member.

Not all plans cover shots for adults. To verify coverage for shots under your plan, please contact your POMCO customer service team by calling the phone number on your member identification card. Be sure to bring your member identification card with you to the pharmacy, or download the MyPOMCO mobile app to view and share a copy of your card.

Note: Claims will be submitted by the pharmacy to POMCO on the member's behalf.
