In the event that a hospital does not recognize your medical insurance, this service will assist in validating you and your dependents' health coverage and/or advancing funds.

EMERGENCY EVACUATION

Whenever medical facilities are not available locally, necessary transportation, equipment and personnel will be available to evacuate you and your dependents to the nearest medical facility.

POLITICAL EVACUATION ARRANGEMENT SERVICES

Arrangements will be made for the repatriation on political grounds for all covered travelers based on their government's decision that such evacuation is necessary.³

CRITICAL CARE MONITORING

A team of doctors, nurses and other medically trained personnel will stay in regular communication with the attending physician and/or hospital to help ensure you or your dependents are receiving proper care at all times.

MEDICALLY SUPERVISED REPATRIATION

If you or your dependents are ready to be discharged from the hospital but still are in need of medical assistance, this service will repatriate you or your dependents to a rehabilitation facility or home, and if medically necessary, will provide a medical or non-medical escort.

DISPATCH OF PRESCRIPTION MEDICATION

If you or a dependent forgets or loses a prescribed medication, assistance in the arrangement for replacement medication (when possible and legally permissible) will be provided.

EMERGENCY MESSAGE TRANSMISSION
