It is especially important to indicate the name and address of the other insurance company and the policy or identification number of that coverage, as well as the name and birth date of the person who holds that policy.

In addition, if the patient is someone other than the subscriber and has received benefits from any other health insurance plan held by reason of law or employment, the Explanation of Benefits Form furnished by the other carrier pertaining to these charges must be included with the claim. A clear photocopy of the other carrier's Explanation of Benefits Form is acceptable in place of the original document.

In the event that you select payment in a currency that is not available, you will be paid in U.S. dollars. Banks may charge a fee to receive a wire. You may want to research fees charged by your bank prior to requesting a wire since you will be responsible for any such fees.

For an electronic funds transfer, provide the bank's physical address where the account was opened (not a P.O. Box). Please provide a copy of a voided check or deposit slip so that the bank information can be validated.

Option B. Authorization for payment to provider — complete option B if you prefer that benefits be paid directly to the provider of service. Direct payment to the provider is at the discretion of your Blue Cross and Blue Shield Company, except where required by law.

6. Signature
