

STAY HEALTHY *and* GET VACCINATED

OBTAINING VACCINATIONS

For maximum flexibility, you may use either your OptumRx or your Excellus BCBS member ID card when receiving covered vaccines at a participating pharmacy for \$0 copay.

For Vaccines Not Covered through a Pharmacy

You and your eligible dependents may continue to obtain covered vaccines through your doctor's office using your Excellus BCBS ID card.

Vaccines Currently Provided through Pharmacies in New York State*

The flu vaccine may be provided to individuals **starting at age 2**. Pneumonia, Tdap (Tetanus, Diphtheria and Pertussis), meningococcal and shingles vaccines may be provided to individuals **over the age of 18** that meet the eligibility recommendations provided in the Centers for Disease Control and Prevention (CDC) Recommended Immunization schedule.

*Contact your local pharmacy to determine your state's coverage options. Age-appropriate immunizations are based on recommendations in effect from the national Advisory Committee on Immunization Practices (ACIP). Consult the CDC's Recommended Immunization schedules for more information.
